Dear Folks:

Please Pray for me! Exams begin Tuesday and end the following Wednesday. — and then the following Monday you folks expect to start! Will you be here on Mon- or Tuesday? Commencement here is on Monday morning. Don't know whether I'll get to go to the exercises or not — but there are big doings that weekend. Bob is staying over commencement so he'll probably take me to the class play on Sat. Nite.

Tell me, nowher, what kind of clothes shall I keep out for traveling? I'll probably have a hat box and I have a grip here. so if you folks wouldn't bring grips.

but sort of bundle things up - Either and  
mother could put their stuff in my grip  
because I have to take it home  
anyway - or else leave it here. and  
I'm not going to leave anything in  
the Tea House. I suppose I'll be  
beginning to send stuff home  
pretty soon.

Then about D. U. B. S. —

If you leave the 14<sup>th</sup> you would  
probably want to be home for the  
following Sun - the 20<sup>th</sup> and  
then the convention is - that very  
weekend <sup>23, 24, 25 (Wed - Thurs Fri)</sup> ~~24, 25 - 26~~ — and if we began  
D. U. B. S. the 21. we would have only  
two days of school before the  
convention and that wouldnt  
be sensible. would break it all up.

I'd rather have the school a week  
later which will make it begin

June 28

and last till

July 23

inclusive

Make the school a little late alright but I see no other way out of it.

The next thing I'd like to have you do now pretty soon - is to get some little cards printed like we had last year. You had a sample in your files. Have the memberships file the same. and the dates changed of course from to June 28 - July 23. - - and there's one thing about the ages I want to ask. It was last year 4-14. I think it would be wise to consult Mrs Hill - about the age 4 - whether she thinks 4 or 5 or 6 - wise to include. I think it would be wise to make it up to 15, or 16 anyway - What do you think?

Anyway I think it would be  
wise for you to see Mrs Hill before  
having the cards printed -  
otherwise I think it could be  
about the same as last year.

Then ———

I want to begin earlier to  
advertise the school! and  
I want the cards printed in  
time to be mailed to last  
year D. U. B. S. enrollees so  
they will get them in the  
mail the week you come after  
me - about the 16<sup>th</sup> - Then  
when we're home the 20<sup>th</sup>  
I want announcements made in  
S. S. and the cards given  
out to the whole S. S. there  
and given out again on the  
20<sup>th</sup> - See?

Don't you think that would be a  
good plan? — is the only thing  
to be settled now is the age  
and to on the lookout for  
teachers and a boys leader!  
and a second Mrs. Smith! —

It's hot today but it rained  
this afternoon.

Are we going to Akron  
after you pick me up? We  
sure will have a load won't we?

Mary went home last Mon.  
and such a wonderful time as  
we did have. She is driving her  
dad around thru Michigan  
just now — expects to be  
home this week and go up Paris.

very soon. . I've written 6  
letters this afternoon.

Tomorrow is a Holiday -  
Decoration Day but I'm  
going to study most all day!  
We have a base ball game  
with Ohio State Monday. Boy if  
we win - won't I kid "Doc".

Got a letter from her a couple  
days ago and gave her the  
funniest quick answer -  
"I'll get it Monday!" Ha! Ha!

Am still drawing for Mr.  
Spencer. He went to ~~Ohio~~ Columbus  
with 3 of my drawings last  
Friday

This is an awful dumb letter.  
Enclosed find program for Soph.  
Senior Banquet. It was a  
gorgeous affair - out on the quad  
with the Chapl. & Kunkle Tower  
for an old English Setting! -  
It was so clever.

Have to study hard this  
week. Have been this last  
week, too.

Love.

Beau.
